

Terms and Conditions

Effective Date: 01/04/2026

Last Updated: 01/04/2026

These Terms and Conditions (“Terms”) govern your access to and use of the JRST TECHNOLOGY website, including all pages, content, information, forms, communications, and services made available through the website. By accessing or using this website, you agree to be bound by these Terms. If you do not agree to these Terms, you should not use this website. Website terms commonly begin with an acceptance clause and make clear that use of the site implies agreement.

For the purpose of these Terms, “JRST,” “we,” “our,” or “us” means **JRST TECHNOLOGY**.

1. Website Purpose

This website is provided for general informational and business communication purposes only. JRST TECHNOLOGY operates in the semiconductor and solar manufacturing ecosystem and provides information relating to turnkey silicon ingot manufacturing solutions, MCG / CZ machines, consumables, raw materials, and consulting services. Terms should identify the business and describe the nature of the website or services offered.

Nothing on this website constitutes a binding offer, guaranteed availability, final commitment, or technical, financial, legal, or investment advice unless expressly agreed by JRST in writing. Terms commonly clarify the website’s scope and avoid unintended contractual interpretations.

2. Acceptance of Terms

By visiting, browsing, submitting inquiries through, or otherwise using this website, you acknowledge that you have read, understood, and agreed to these Terms and to our Privacy Policy. Website terms frequently cross-reference the privacy policy and other related legal pages.

If you are using this website on behalf of a company, organization, or other legal entity, you represent that you have the authority to bind that entity to these Terms.

3. Eligibility

By using this website, you represent that you are legally capable of entering into a binding agreement under applicable law. Indian business website terms commonly state that users must be able to form legally binding contracts.

4. Permitted Use

You may use this website only for lawful business and informational purposes related to JRST's products, services, or activities. You agree to use the website in a professional, accurate, and lawful manner. Terms commonly include acceptable-use language to define permitted conduct.

You agree not to:

- Use the website for any unlawful, fraudulent, harmful, defamatory, abusive, or misleading purpose.
- Attempt to gain unauthorized access to the website, server, systems, data, or related infrastructure.
- Copy, scrape, reproduce, republish, distribute, modify, or commercially exploit website content without prior written permission from JRST.
- Interfere with the operation, security, performance, or functionality of the website.
- Submit false, inaccurate, incomplete, or misleading inquiry information.

5. Intellectual Property

All content on this website, including but not limited to text, graphics, layout, logos, branding, design elements, icons, visuals, documents, and other materials, is owned by or licensed to JRST TECHNOLOGY unless otherwise stated. Terms and Conditions typically include an intellectual property clause to protect website content and branding.

You may view and use the content for personal or internal business reference only. You may not reproduce, distribute, adapt, publish, translate, create derivative works from, or commercially use any part of the website without prior written consent from JRST.

6. Business Inquiries and No Guarantee of Engagement

Any inquiry, request, communication, or form submission made through the website does not create a contractual relationship, partnership, agency relationship, or obligation on the part of JRST to provide products or services. Terms for business

websites often clarify that contact or inquiry alone does not create a binding arrangement.

Any commercial engagement, sale, supply, turnkey execution, consulting arrangement, or other transaction with JRST will be subject to separate written quotations, proposals, purchase terms, work orders, contracts, or negotiated agreements, as applicable.

7. Product, Service, and Technical Information Disclaimer

JRST makes reasonable efforts to ensure that information on the website is accurate and current. However, descriptions of products, machines, services, industries, market opportunities, technical information, or project capabilities are for general informational purposes only and may be updated, modified, or withdrawn at any time without notice. Terms commonly include disclaimer language around information accuracy and content changes.

Any references to market size, growth potential, equipment specifications, industry use cases, or performance-related information should not be treated as guarantees or warranties unless expressly confirmed by JRST in writing.

8. Third-Party Links

This website may contain links to third-party websites, services, platforms, or resources for convenience or reference. JRST does not control and is not responsible for the content, accuracy, availability, security, or privacy practices of such third-party sites. Terms commonly include a third-party links clause for this purpose.

Access to any third-party website is at your own risk, and you should review the applicable terms and policies of those websites before relying on them.

9. No Warranties

This website and all content, information, and materials made available through it are provided on an “as is” and “as available” basis, without warranties of any kind, whether express or implied, to the fullest extent permitted by law. Disclaimer of warranties is a standard clause in website terms.

JRST does not warrant that the website will always be available, uninterrupted, secure, error-free, or free from viruses or other harmful components.

10. Limitation of Liability

To the fullest extent permitted by law, JRST TECHNOLOGY shall not be liable for any direct, indirect, incidental, consequential, special, exemplary, or punitive damages arising out of or relating to your use of, or inability to use, the website or reliance on any information available on the website. Limitation of liability is one of the core protective clauses in website terms.

This includes, without limitation, loss of data, loss of business opportunity, loss of profits, interruption of operations, or any damages resulting from errors, omissions, delays, inaccuracies, system failures, or third-party actions.

11. Indemnity

You agree to indemnify, defend, and hold harmless JRST TECHNOLOGY, its promoters, directors, employees, representatives, affiliates, and agents from and against any claims, liabilities, damages, losses, costs, or expenses arising out of your misuse of the website, violation of these Terms, or infringement of any rights of any third party. Indemnity clauses are commonly used in website terms to protect the business from user misuse.

12. Suspension or Termination of Access

JRST reserves the right, at its sole discretion, to suspend, restrict, or terminate access to the website or any part of it at any time, without notice, for maintenance, security, legal compliance, misuse, or any other reason. Suspension and termination clauses are standard parts of website terms.

13. Privacy

Your use of the website is also subject to our Privacy Policy, which explains how we collect, use, store, and protect personal information. You are encouraged to read the Privacy Policy together with these Terms. Terms pages commonly refer users to the privacy policy as a linked legal document.

14. Changes to These Terms

JRST may revise, update, or modify these Terms at any time without prior notice. Updated Terms will be posted on this page with the revised effective date or last updated date. Terms pages commonly include a clause allowing updates through website posting.

Your continued use of the website after changes are posted constitutes your acceptance of the updated Terms, subject to applicable law.

15. Governing Law and Jurisdiction

These Terms shall be governed by and construed in accordance with the laws of India. Any disputes arising out of or relating to these Terms or the use of the website shall be subject to the exclusive jurisdiction of the courts at Nagpur, Maharashtra. Governing law and jurisdiction clauses are standard and especially important for Indian websites.
